ABOUT US

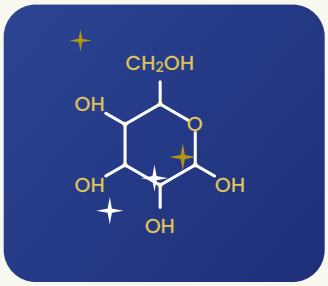

A Reliable Partner for Your Chemical Requirements

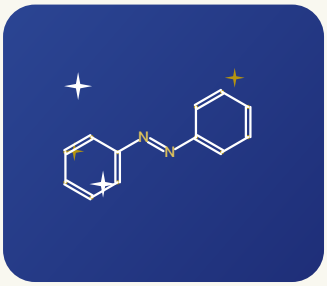

At Ponmatha Chemicals, we bring together a diverse range of chemical products and supply solutions to support businesses in the textile printing and allied industries. With a strong focus on chemical trading and manufacturing capabilities, we help customers access the products they need through a dependable business partnership.

From water-based printing products and specialty inks to pigments, bases, and printing accessories, our portfolio is designed to serve a wide range of industrial requirements.

WHY CHOOSE US

Why Choose Ponmatha Chemicals?

Wide product selection 01
Multiple chemical and textile printing product categories in one portfolio.

Trading-focused approach 02
A business model centered on sourcing and supplying customer requirements.

Manufacturing capabilities 03
Complementary manufacturing alongside our trading operations.

Industry-oriented product range 04
Products selected around textile printing and related production needs.

Customer-focused service 05
A commitment to clear communication, product coordination, and lasting partnerships.

WHERE WE ARE HEADED

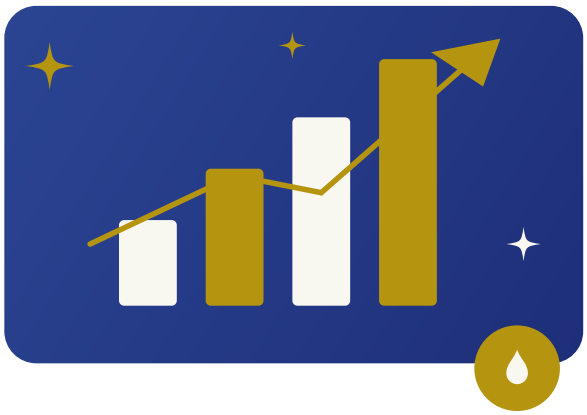

Our Mission & Vision

Our Mission

To provide customers with access to a diverse range of chemical products through dependable trading and manufacturing operations, responsive service, and a customer-oriented approach.

We strive to build lasting business relationships by understanding industrial requirements and helping customers identify suitable products for their applications.

Our Vision

To grow into a trusted and recognized chemical supply partner in Tiruppur and beyond, known for our broad product range, responsible business practices, and commitment to long-term customer relationships.

We aspire to strengthen our presence in the chemical industry by expanding our portfolio, developing our capabilities, and creating value for the businesses we serve.

WHO WE SERVE

Industries & Applications We Support

Textile Printing
Printing inks, bases & pastes for fabric and garment printing.

Production Units
Supply support for printing and processing units in Tiruppur and beyond.

Allied Industries
Chemicals and accessories for related production needs.

Long-Term Partners
Coordinated supply built on trust and clear communication.

TRUST TRANSPARENCY RESPONSIVENESS PARTNERSHIP

BUSINESS WITH INTEGRITY

Our Responsibility

At Ponmatha Chemicals, we believe that responsible business practices are essential to sustainable growth. Our responsibility extends to the products we supply, the customers we serve, and the way we conduct our business.

Responsibility to Customers

We aim to understand customer requirements, communicate product information clearly, and support informed product selection.

Product Information & Safety

We recognize the importance of relevant technical information, safety documentation, and appropriate handling practices for chemical products.

Responsible Operations

We aim to conduct our trading and manufacturing activities with attention to applicable requirements, safe handling, and responsible operating practices.

Long-Term Partnerships

We value trust, transparency, and professional relationships with our customers, suppliers, and business partners.

Safety information, when you need it
Ask us for relevant MSDS / TDS documentation for the products you choose.
